

D'AMORE'S

TAKES IT ON THE ROAD!

Throwing a party? A fundraiser? Corporate picnic? How about a T.V. or movie shoot? Gotta feed the troops? D'Amore's has 2 unique pizza trucks that may be just what you're looking for!

Our Brick Oven Truck

The larger of the two trucks, this vehicle actually has a brick oven on-board! This unique feature allows us to *bring our restaurant to you* so you can enjoy our #1 rated pizza as well as our salads, pastas, entrees, etc, cooked right on location!

Here are the trucks specifications:

It fits in a regular size parking space and operates without the need of electricity. The rental fee for this truck is \$375 for the first 2 hours and \$100/hr. for every additional hour thereafter. This fee includes the cost of your personal on board cook.

Our Catering Truck

This compact truck features hot and cold components to ensure temperature perfect deliveries every time. Its purpose is to transfer fully prepared foods to any location.

This truck does not need an on-board cook so only standard delivery fees apply. It's great for larger delivery orders and will keep food at an appropriate temperature for an extended period of time.
